About The Show

Halifax Show continues to be one of West Yorkshire's biggest and best family agricultural events and attracts rural and town dwellers alike. It regularly attracts 15,000 visitors throughout the day - not just from Halifax, but also across Calderdale, Yorkshire and beyond. Halifax Show is always grateful towards its supporters and sponsors – and there are many opportunities to sponsor competitions, classes, showground attractions and events – plus the bigger ones such as the marquees and the main ring attractions. It is an ideal way to not just support the show, but to advertise your business or organisation to several thousands of people.
