Show Report.

This years show was always going to feel different to me after looseing Mr John Picard In January who is a well respected Lonk and Derbyshire Gritstone breeder. John came to my very first show back in 2003 and has given me some good advice over the years. other than a few shows in between he hasn't missed many over the years. He and Tracey would bring at least 14 sheep across the 2 breeds, so it does feel a big loss to the show. Thank You to Mr Clive Mitchell for introducing a new exhibitor to the lonk section to help keep the breed numbers up.

Despite the weather and a few exhibitors sadley unable to come we still had a good turn out of Sheep. We had 12 pens of fat lambs, 13 young handlers, 32 exhibitors and 12 different breeds to judge across 53 classes the judges had their work cut out and thats without battling the wind and rain, luckily I had my Auntie on had to make cups of tea. The Judges did a great job judging the best from the best. Mr W Allen who Judged Any Other Pure Bred Or Continental breed section had his work cut out judging 8 different breeds in just that one group. Three years ago we introduced Whiefaced Woodlands and in that time they have built up to be a great competative class. Young Handlers had again a good turn out of exhibitors, it was great to have so many from our local Calderdale Young Farmers group, who also helped to build the pens on Monday. I myself am going to be busy for a while as all my signs got ruined in the rain, and all will have to be re made, good job I have a year. Take Care and hope to see you all next year.

Once again Thank You all for your support.

Mrs Lizzie Greenwood
